1	Contingency manual	x	x	x	x	x							
1	2026 Registration (expires Feb 27, 2025)	x	x	x	x	x							

****Use Premium fuel for the Water Pump, not provided in spill trailer****

****Scare Cannon requires a 12v car battery and propane tank to operate (Read Manual).**

**** Pneumatic skimmer quick set up. Place 3 to 8 drops of 10 W oil in the "air motor inlet" located on the skimmer prior to use. Check oil gauge make sure it has oil for lubrication 10 W oil (located in white trailer). DO NOT OVERFILL. Apply air control with valve on the oil filter stand, need a consistent supply of air. Air source should be able to consistently supply 140lbs of air to run the skimmer. Hook a vac house on skimmer to recover impacted fluids, or use a transfer pump to pump into a bladder. READ manual before operating. Skimmer is not made to have booms connected to it.**

Read Manuals located in the Spill Trailer before operating.

****Propane not provided in spill trailer**

White Trailer Tires run at 66lbs
